

# “DRIVE DOWN YOUR COMMERCIAL AUTO LOSS RATIOS...FAST.”

Stephen A. Coyle, CPCU  
Coyle Insurance Agency, Inc.  
Congers, NY

Steve Coyle should know. He's done it. "License Monitor's results speak for themselves. Don't fool around," says Steve. "Get your commercial auto customers on License Monitor and do it now."

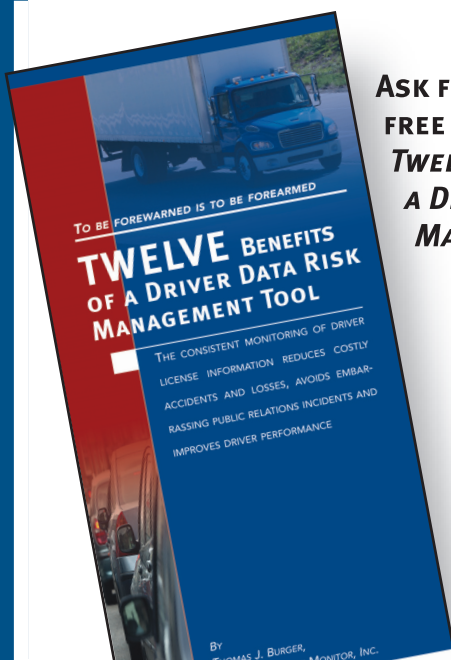

Driver license violations mean trouble—more accidents, increased insurance costs for your clients and higher loss ratios for your agency. License Monitor solves these problems.

## LICENSE MONITOR GIVES YOUR COMMERCIAL AUTO CLIENTS A BOTTOM LINE ADVANTAGE

- At-risk driver identification
- Control of insurance costs
- Lower severity and frequency of accidents
- Driver license fraud prevention
- Avoid unpleasant and embarrassing public relations situations
- Reduced Workers' Compensation expenses

## AS AN INSURANCE AGENT, YOU BENEFIT BY WORKING WITH LICENSE MONITOR

- Lower loss ratios mean increased compensation
- Differentiates you from the competition
- Client satisfaction aids account retention
